

THINK YOU KNOW LICE?

Here are some key facts about this hair invader:

Lice can't fly or jump

They move by crawling through hair.

Proven solutions are available without a prescription

Vamousse is clinically proven and available OTC.

You can't get lice from your pets

They're spread from (human) head-to-head contact.

Itching can take 4-6 WEEKS to show up

Weekly head checks can head off an infestation.

ANY ONE can get lice. no matter how clean your hair or home is.

Lice is the **#2** childhood health concern behind only the common cold.

Pesticide-resistant super lice are on the rise

But pesticide-free Vamousse kills them and their eggs.

If your family has been exposed to lice, you need an effective remedy now. Vamousse is non-toxic, pesticide-free and available without a prescription. Clinically proven to kill lice AND eggs in 1 application, Vamousse Lice Treatment gets you - and your kids - back to life fast.
